GETTING STARTED

1. Set up your Sega Saturn Systemx as described in its instruction manual.
2. Place Disk 1 **BUG TOO!**, label side up, in the well of the CD tray and close the lid.
3. Turn on the TV or monitor and the Sega Saturn. The Sega Saturn logo will appear on screen. If nothing appears, turn the system off and make sure it is set up correctly before turning it on again.
4. If you wish to stop a game in progress, or the game ends, open the CD drive door, or perform a soft reset during the Title Loop to reach the CD Control Panel.

Important: Your Sega Saturn CD contains a security code that allows the disc to be read. Be sure to keep the disc clean and handle it carefully. If your Sega Saturn system has trouble reading the disc, remove the disc and wipe it carefully, starting from the center of the disc and wiping straight out toward the edge.

NOW MORE JUICIER THAN EVER!

HE'S BACK! AND HE'S LEANER,
MEANER AND GREENER THAN BEFORE.

After long negotiations with top Hollywood execs, Bug has just been assigned a six flick deal. As director of all his new projects, your job is to see to it that Bug and his new squishy costars - lightning tongued Maggot Dog and the funktified Superfly - give award-winning performances. And with a cast of totally professional arachnids to work with, you should have no problem bringing home the coveted Blippie Award. (Should being the operative word here!)

So without any further ado...

Lights, camera, ACTION!

BUG'S SMASH HITS

Bug and his co-stars Superfly and Maggot Dog are ready to give the performances of their lives. And you're just the person to see to it that nothing gets in their way.

Put on a good show and you'll be able to collect your rewards following each movie at the Blippie Awards. Unfortunately, there will be no time for acceptance speeches as you must dodge everything from trampolines to Mosquito Vampires on your way to collecting as many Bug statues as you can.

LAWRENCE OF ARACHNIA

Compared to this, braving the Congo is an afternoon at Grandma's house. Weave your way through ancient ruins, waterways and gardens while stomping everything from marching Creepy-Crawlies, King Ticks and Amazon Ant Women.

BEWARE OF SHOOTING SPIKES, QUICKSAND AND VENUS FLYTRAPS. HAPPY HUNTING!

And in the Center Ring... This place is a real three-ring circus where club-swinging Space Gorillas, Stinkin' Lions, Acrobatic Fleas and Malicious Clown Bugs will stop at nothing to keep you out of the act.

The Midway: Wind up cars and big ol' clowns are the problems here! Collect awards while trying to either dodge or defeat these enemies.
